## About us

### A Trusted Legacy

Aceware comes from the trusted house of Shilpa Enterprise, Mumbai- a long-trusted name in stainless steel manufacturing.

With over 40 years of manufacturing expertise, we offer high-quality triply stainless steel cookware – thoughtfully crafted for today's Indian kitchens and their everyday needs.

### Driven by Innovation

At the heart of Aceware is a commitment to continuous innovation- in design, functionality and quality.

Each product is BIS-certified, built to last and priced accessibly- making durable, safe and easy-to-use cookware available to every home.

### Partnership-Focused

We value the strong partnerships we've built with our distributors across India. With on-time deliveries, dependable after-sales support and a steady pipeline of new launches- we're here to grow. Together.

### Made in India, Built to Last

All Aceware products are made at our integrated, state-of-the-art facility in Vasai, Mumbai.

We follow the highest safety and compliance standards- for both our workforce and the kitchens we serve.

### More Than Cookware

With **Aceware**, we offer more than cookware. We bring an understanding of both- the Indian kitchen and the market you serve.

And a brand that's proudly,  
Designed for the way India cooks.

Warranty

#### Weight Valve Assembly & Vent tube

Whistling weight valve with long lasting stainless steel vent to accurately time your pressure cooking.

#### Ergonomically designed stay cool handles

Ergonomically designed lid body & auxiliary handles are made from impact resistant & non-inflammable plastic with flame guard which ensure safely cooking.

#### Triply stainless steel elegant design

Stainless Steel Interior  
Pure Aluminum Core  
for even heat distribution  
Stainless Steel Exterior

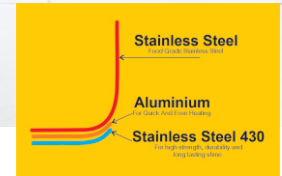

#### GRS / Silicone Rubber Gasket

Control gasket release system, which emits the excess steam towards upward direction while ensuring that the gas flame is still operating. Long Life Rubber Gasket made from food grade hygienic Silicone rubber. Does not impart color, taste & odour to food.
